2.1 TECHNICAL CH	IARACTERISTI	CS						
Value in €/wp of the park/facility to be insured, retail price (without VAT)								
Type of facility	FIXED							
	TRACKING	——Tracking system brand and model						
		——KWP of tracking system						
		Туре:						
		☐ Tracking on a horizontal axis. ☐ Tracking on a polar axis. For North-South horizontal axis, East-West tracking. North-South axis with tilt equal to latitude, East-West tracking.						
		☐ Tracking on a horizontal axis.						
Surface (and axis) tilted at 15°. Vertical axis, East-West and North-South tracki Tracking on an azimuthal axis. Vertical axis, East-West tracking.								
A - Photovoltaic m	nodules							
		e park/facility						
Brand and model								
Technology:] Polycrystalline	Silicon (EFG) ☐ Monocrystalline Silicon ☐ Thin Film						
] Polycrystalline	Silicon						
Are all of the PV modules installed the same brand/model?								
YES NO -	Please provide d	additional information						
B - Inverters								
Number of inverters	s total at the pa	ark/facility Maximum power per inverter (W)						
Brand and model								
Are all of the inverte	ers installed the	e same brand/model?						
YES NO -	Please provide a	additional information						
C - Monitoring								
Does the park/facili	ity have a moni	toring system?						
YES \(\price \) NO \(\price \)								
—Description								
Who is responsible	for monitoring	?						
☐ Company respor	nsible for maint	tenance 🗆 Another company. Name						
☐ Only the owner								
Do the owners have	e access to the	monitoring system? YES \(\simeq \ NO \(\simeq \)						

D - Electric	al system												
Transform	ers:

2.3 PROTECTION MEASURES		
A - Fire protection		
Distance to the closest fire station (Km)	Does the park/facili	ry have fire extinguishers?
	YES □ NO □	
	# of un	its
	Ty _i	pe [
B - Theft protection		
Are the photovoltaic modules situated and installed with an ar	nti-theft device?	
YES \(\price \) NO \(\price \)		
☐ Anti-theft screws ☐ Sikaflex, silicone or simi	lar	
☐ Professional security fitting ☐ Others ☐		
C - Perimeter fencing		
Fencing material		Height of fencing (cm)
Does the fencing have a plinth?		
YES NO NO		
Plinth material		Height of plinth (cm)
D - Surveillance		
Does the park/facility have surveillance with physical pres	sence?	
YES NO		
—Who handles the surveillance with physical presence?	☐ Company staff	
	☐ Security company.	Name L
	☐ Services company.	Type of services
		Name L
—Do they take shifts? YES□ NO □		
# of people per shift	# of	shifts L
—Do they make rounds? YES ☐ NO ☐		
Frequency of rounds		Do they have check points? YES □ NO□
E - Electronic protection systems		
Does the park/facility have a perimeter detection system?	?	
YES NO D		
— Description L		
Is the perimeter detection system connected to an ala	arm reception center?	
YES 📮 NO 🗆		
Name of the alarm reception center company	/

4 - GROSS CLAIMS INFORMATION

Has the park/facility suffered claims during the last 3 years?	
YES P NO D	
— # of claims L	
Description:	Indemnity per claim (€)

5 - DOCUMENTATION TO BE INCLUDED

Sample of maintenance contract that is being applied to the park/facility.

All of the documentation and information provided, as well as this questionnaire, will become part of the insurance contract and more specifically, the Production Guarantee.

The policy holder understands that in order for the guarantee, which is the object of this application, to come into and remain in effect, he/she is obligated to provide the data from all of the different insured meters, via the PRASI Global System, corresponding to the previous month, within the 5 days following the end of each month.

INFORMATION RELATED TO DATA PROTECTION AND THE INFORMATION SOCIETY SERVICES AND ELECTRONIC COMMERCE LAW.

In accordance with the Ley Orgánica 15/1999, dated December 13th, the client authorizes and gives his/her consent to E.PG. y Salinas, S.L. to process his/her personal data, with the purpose of providing insurance advisory and brokerage services, in addition to offering other insurance products, financial products, pension plans and funds, as well as for managing collection (via whatever medium), carrying out studies, calculations, statistical analysis and the creation of reports relating to insurance and providing other services in general. In the same way, the client authorizes for the aforementioned purposes that his/her data may be provided to companies within the group such as Bonatu 21 Inversiones y Servicios, S.L. and to Alcanza Formación, S.L., as well as to different Insurance and Reinsurance entities, Subscription Agencies and other Insurance and Reinsurance Brokers, Financial and/or Credit Entities, Non-profit Insurance Entities and Financial Agents of Pension Plans and Funds. The Client accepts the use of his/her personal data in order to carry out surveys regarding satisfaction with the service, in reference to the Quality Management System in the company, as well as in order to prevent fraud and money laundering, in accordance with the rules in force

The Ley Orgánica 15/1999, dated December 13th on the Protection of Personal Data, regulates the right of those interested to revoke consent, request information regarding personal data subjected to processing, as well as exercise the rights to access, rectify, oppose and cancel, for which the interested person can make his/her request via e-mail at epgsalinas@epgsalinas.com, by fax at +34 957 761 116 or in person at the office of EPG y Salinas, S.L.

In order to develop and execute the previously described objectives, the client gives his/her authorization in order for the mailings and correspondence to be made via traditional, as well as electronic means, to the effects of Article 21 of Law 34/2002, dated July 11th, regarding Information Society Services and Electronic Commerce.

In accordance with Law 34/2002, dated July 11th, regarding Information Society Services and Electronic Commerce, the recipient of the correspondence will be able to revoke at any time his or her consent given to receive sales correspondence by sending a notice via e-mail to the following address: epgsalinas@epgsalinas.com, indicating in the Subject: "revoke consent to Law 34/2002".
